

Berwickshire Housing Association Mutual Exchange List

Mutual Exchange is one of the ways you can move house either within Berwickshire or to another area. You can take part in a 'mutual exchange' with another tenant, as long as you have held your tenancy with us for at least 6 months. Simply, this means that you can swap houses with another tenant but before you think about doing this you need to ask us for permission. It is important to remember that you do not offer or accept any payment or similar offer in order to secure the exchange.

We are currently reviewing how we manage mutual exchanges but we will not refuse a mutual exchange request unless there is a reasonable reason for doing so. This might be for reasons such as:

- The exchange will result in overcrowding
- The condition of either property is poor
- You have been involved in or have a history of Anti Social Behaviour

Please see the list below showing BHA's full details of exchanges. To reply to an advert call the number specified on each advert or call Sheena Luke on 01361 884000.

If you want to advertise on the Mutual Exchange List call Sheena on the number above.
